

Dear Parent/Guardian,

Mount Beauty Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Mount Beauty Secondary College's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. This has made a huge difference to our school and the programs we can offer.

The environment and resources that we enjoy today represent the contributions made by our parent/carer community over many years. Parent/Carers voluntary contributions make significant difference to the quality of our programs. This financial support ensures that we can continue to provide the excellent range of facilities and resources for your children. Your support in 2024 allowed us to:

- Provide high quality programs and specific subject materials and equipment for: English, Mathematics, Science, Art, Music, Language and PE;
- Maintain and develop the school grounds and outdoor facilities;
- Provide hands on equipment in multiple subjects;
- Provide Literacy and Numeracy online digital subscriptions;
- Deliver a range of sporting equipment for class and recreational use;
- Improve ICT Infrastructure and support.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Simone Roy-Chowdhury
