

## Information for parents

### Our commitment to the responsible use of digital technology

At Mount Beauty Secondary College we are committed to building a culture of respect and responsibility. We show this in the way we use technology and interact online. We teach our students about responsible digital behaviours, including how to recognise and respond to online dangers and threats. We support students to develop the digital skills they need to make a positive impact in the world. We are intentional and discerning about our integration of digital tools into the curriculum, providing rich, interactive and personalised experiences, while ensuring a balance with offline learning opportunities.

### What we do:

	<p><b>We set clear expectations</b></p> <ul style="list-style-type: none"> <li>We have clear expectations about appropriate conduct using digital technologies.</li> <li>Our <a href="#">Mobile Phone Policy</a> outlines our school's expectations relating to students using mobile phones during school hours.</li> <li>We have clear and appropriate consequences when students breach these expectations, in line with our <a href="#">Student Wellbeing and Engagement Policy</a>.</li> </ul>
	<p><b>We teach appropriate conduct</b></p> <ul style="list-style-type: none"> <li>We teach our students to be safe, intentional and responsible users of digital technologies, including age-appropriate instruction on important digital issues such as cybersafety and cyberbullying.</li> </ul>
	<p><b>We partner with families</b></p> <ul style="list-style-type: none"> <li>We work with parents and carers to understand the digital technology-related issues they are facing at home. We support them with information and tools that help.</li> </ul>

## How parents and carers can help

Learning about technology and its impacts doesn't stop at the school gate. Below are our suggestions for ways you can support your children to responsibly use digital technology.

	<p><b>Establish clear routines</b></p> <ul style="list-style-type: none"> <li>• Talk to your child about expectations including when, where, and how digital devices can be used at home, ensuring these rules are age-appropriate and consistent. These can include: <ul style="list-style-type: none"> <li>○ Requiring devices to be used in a common area, such as a living room or study area</li> <li>○ Setting up a specific area for charging devices overnight, away from bedrooms, to promote better sleep hygiene.</li> </ul> </li> </ul>
	<p><b>Restrict inappropriate content</b></p> <ul style="list-style-type: none"> <li>• Use built-in parental controls on devices and apps to help manage their device access and restrict inappropriate content.</li> <li>• Consider restricting the use of apps with addictive game mechanics (e.g. rewards, badges, limited exit options).</li> </ul>
	<p><b>Talk about online safety</b></p> <ul style="list-style-type: none"> <li>• Talk with your child about the importance of protecting personal information, recognising online scams, and understanding and adjusting privacy settings on social media.</li> <li>• Encourage your child to talk to you or another trusted adult if they feel unsafe online.</li> </ul>
	<p><b>Model responsible and balanced technology use</b></p> <ul style="list-style-type: none"> <li>• Encourage a healthy balance between screen time and offline activities, especially outdoor unstructured play and time with friends and family, face-to-face.*</li> <li>• Demonstrate responsible and balanced tech use in your own daily routine to set a good example for your child.</li> </ul>
	<p><b>Work with us</b></p> <ul style="list-style-type: none"> <li>• Let your child's teacher know about concerns you have regarding their technology use</li> <li>• Keep informed about what your child is learning at school, so you can help reinforce positive messages at home.</li> </ul>

**\*Australia's physical activity and sedentary behaviour guidelines** include the following recommendations for children between 5-17 years-old regarding sedentary recreational screen time:

- no more than 2 hours of sedentary recreational screen time per day
- avoiding screen time 1 hour before sleep
- keeping screens out of the bedroom.
