Dear Parent/Guardian

This letter provides information about voluntary contributions you can make to support Mount Beauty Secondary College for 2027 and other payments you can choose to make.

Victorian government schools provide free instruction. This means all students have free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability.

Some families choose to make a voluntary financial contribution to support the school, and we are very grateful for this support. Making a voluntary contribution is your choice. There is no expectation or pressure for families to contribute.

Mount Beauty Secondary College offers a range of items and activities that are additional to the free instruction provided to all students at our school. Financial help is available for extra-curricular items and activities if you are experiencing financial hardship (see further details under Financial Help for Families in the attached information). For a confidential discussion about how to access the financial help available, please contact:

Learning materials for students to own

Booklist items:

You can choose to buy learning materials for your child to individually use and own. These items can be bought from any supplier.

Mount Beauty Secondary College has an arrangement with the following supplier for the materials that you can buy: Lilydale Books.

If you do not buy these items, your child will still be provided with what they need, however they may not be provided with these items to own, or keep, on an individual basis. If you wish to buy items through the supplier the recommended booklist and portal link will be provided and published on our website when finalised.

Digital devices:

Mount Beauty Secondary College uses digital devices to support learning. You are able to buy or lease a device for your child to own. If you do not buy or lease a device, your child will be provided with access as they need for their learning, but it may not be one-to-one, to take home, or to keep.

You can find information about the digital devices our school recommends, including minimum device specifications, at https://mbsc.vic.edu.au/byod/

You can buy the digital device from EduNet Technology Portal: https://mbsc.technologyportal.com.au/ for between $940 to $2200. You can also buy a device meeting these specifications from any other retailer.

- Free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability.
- The Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major, and the Victorian Pathways Certificate.
- Free access to all subjects, including elective subjects.
- Free access to select-entry and accelerated programs.

FAMILIES CAN CHOOSE TO CONTRIBUTE

Schools can invite 2 types of voluntary contributions:

Voluntary contributions	Tax deductible contributions
Used towards enhanced educational programs and school environment, and additional resources and opportunities offered by schools	Used towards building and/or library fund (for those schools who have such funds)

Schools must advise the carers of students in out-of-home care and parents and carers who hold a financially means-tested card (such as a healthcare card) that the invitation to make voluntary contributions does not apply to them.

In addition, schools can invite parents and carers to pay for optional:

- Extra-curricular items and activities that go beyond the curriculum - for example, school photos, some excursions and some camps.
- Learning materials for students to individually use and own - for example, textbooks, stationery, and in secondary schools only, digital devices. If these items are not bought or provided from home, schools will provide students with free access to what they need for curriculum delivery.

FINANCIAL HELP FOR FAMILIES

Each school has a contact person who can discuss with parents and carers the financial supports that are available.

Schools must publish their Parent Contributions arrangements on their school website, along with a link to the department's Parent Contributions policy.
